News from Mrs. Shelton

Dear Lakeside Park Families,

I want to let you know that after forty-one years as an educator, it is time for me to begin the next Chapter of my life. The decision to retire at the end of this year is bittersweet, but I look forward to more time with family.

I was given the opportunity to come to Lakeside Park as principal in 1994. It has been a wonderful experience, and I can hardly believe twenty-two years have flown by. Lakeside is a special school blessed by a dedicated staff. I am confident that Lakeside will continue to move forward with new ideas. I am proud of what we have accomplished together, and it has been a privilege and honor to have served as principal of Lakeside Park.

Thank you for your support and commitment to Lakeside. I will always treasure my memories of the many students who have attended Lakeside, the special families I have come to know, and the friendships of the staff. What a blessing I've received, and I thank you for the support you've shown me. I ask forgiveness for the mistakes I've made. As I leave, I carry with me all that I've learned and enjoyed.

Our **All for Books** change drive will be Monday, May 1st – Thursday, May 4th. This time we will be having a **Boys vs Girls** competition. Starting Monday, May 1st, students will be asked to bring in loose change to place in a designated container. Remember, the money raised will be divided evenly among the teachers to buy books from the fair for their Classroom libraries. So the more money our students raise, the more new books the teachers get for their Classrooms. **The group that brings in the most change will get bragging rights and their choice of a hat, flip-flop, and pajama day on a day that Ms. Cline will announce.**
