***WELCOME TO LAKESIDE PARK!***

I am excited to return to much-needed normalcy this year after the past couple we have experienced. I look forward to my third year to serve LPE's students, parents, staff, and community as principal. Student safety sits atop my list of priorities, followed by ensuring excellent instruction takes place in each classroom. Every child deserves to feel successful. Remember, success never looks the same for everyone. Together, we will inspire, motivate, encourage, and develop confident young people ready for the next level. Please take time to read through and discuss the handbook with your student. Call or email with questions, concerns, and/or comments.

Respectfully,

Dr. K

\*Parents must come to the office to sign child in if arriving after 8:30.

### AFTERNOON DISMISSAL:

Walkers will be dismissed first beginning at 3:30 pm. K-2 will dismiss out front doors. Grades 3-5 will dismiss out the side door (gym side of building) including their siblings. Car tags must be visible.

**\*It is highly encouraged you download the "Here comes the bus" app. (Info in office if needed).**

The privilege for a student to ride the Sumner County School buses is a condition of each child's behavior. Children who violate the following rules will be reported to the principal by the driver.

1. Bus students are expected to ride their assigned bus. Bus stops are formed to benefit the most students at the safest locations. The drivers are not allowed to make extra stops for the convenience of certain students.

4. Students should stand beside the road (never in the road) while waiting for the bus.
5. All traffic must be stopped before students cross the street to board or leave the bus. Students should pass in front of the bus when they cross the street.

Bus incidences could result in suspension from the bus and/or school. Students must have a parent note to change mode of transportation. Bus passes are required if your child is to get off at a different bus stop or ride a different bus. Problems arising at bus stops prior to boarding the bus and after unloading are the responsibility of the parents. ### **DRESS CODE**

Every effort is made to allow students to be comfortable in school. The purpose of the dress code is to promote an atmosphere conducive to learning and safety for children. Children will be required to show proper attention to personal cleanliness, neatness, and appropriate standards of dress and appearance. Clothing which is too casual or too revealing will detract from our purpose of instruction. Parents of children dressed inappropriately will be called to bring a change of clothing. Please monitor what your child wears to school. All clothing can be at principal's discretion and include the following:

\*NO strapless dresses and tops, bare midriffs, spaghetti straps and leotards may be worn to school. Skirts must come to fingertip length.

## **DISCIPLINE**

Children have the right to learn in an atmosphere undisturbed by misbehavior. Teachers have the right to teach in the same kind of atmosphere. Children who interfere with the teaching/learning process choose to accept either natural or specified consequences. Your child's teachers will share the rules, expectations, rewards, and consequences for their classroom. **Your cooperation and support for your child's teacher are greatly appreciated.** Office referrals will be used when a student needs to have a conversation with the principal. Excessive and/or level of severity of referrals can lead to OSS, disciplinary hearing, and/or change of placement. Discipline is handled case by case.

## **GENERAL SCHOOL RULES**

\*Chewing gum is not allowed. Students will respect adults and will always respond to their requests. Students will show respect for other students.

\*Fighting is not tolerated. Hallway behavior is quiet, and walking is required. Inappropriate language/name calling will not be tolerated.

\*Students are not to leave campus during the day for any reason unless they are checked out by a parent or guardian.

## **DISCIPLINE PROCEDURES/ACTIONS**

Most student discipline is handled at the classroom level by the teacher or adult in charge. Continual misbehavior or an incident which requires immediate attention is handled by the principal. Student discipline handled by the principal falls into two categories:

1. An office referral from an adult staff member who has already attempted some type of intervention to correct the misbehavior. This includes classroom consequences and parental contact.
2. An office referral which requires immediate attention or is of a major issue. These include, but are not limited to, fighting, weapons, total defiance, and complete class disruption.

Action taken is based upon the severity of the incident and the student's history. As a student begins to compile several incidents, the discipline will become more severe. Consequences for student misbehavior that reach the principal's office include, but are not limited to, the following:

- Conference with the student about the incident
- Warning

Activity, recess, and/or lunch detention  
Before or after school detention  
Parent conference  
Out of school suspension  
Suspension from the bus  
Change in school placement
